Classroom Discussion Questions

1. After listening to the episode, consider what Dr. Lupton says about the internet as a living chronicle. Discuss your reaction to this and apply it to what "rules" we've applied to the internet.
2. Talk about your own access to WiFi. Is connecting an issue for you? What steps could be taken to provide affordable WiFi to anyone who needs it?
3. What are the social norms that have been created surrounding the internet? Social media?
4. Discuss cyber crime. Would the passage of new laws curb cyber stalking? What keeps a culture from creating strict rules around cyber crime?
5. Look at another country's cyber crime policies. How is this handled around the world?
